CLARIFICATION OF ADVISORY ACTION

Dear Sir:

In a telephonic message left by the Examiner Shane Fang on April 22, 2010, the Examiner indicated that he had erroneously checked box 3(b) on the Advisory Action, indicating that the Amendment After Final filed on April 5, 2010 brought up the issue of new matter. The Examiner further indicated that the Amendment After Final filed April 5, 2010 does not raise the issue of new matter.

Applicants believe that after final Amendment filed on April 5, 2010 is a complete and proper response to the Office Action mailed January 5, 2010. While it is believed that all claims in this application are in condition for allowance, if the Examiner has any comments or questions, Applicants invite the Examiner to telephone the undersigned at the below listed number to resolve any outstanding issues.

In the event this paper is not timely filed, Applicants hereby petition for an appropriate extension of time. The fee therefore, as well as any other fees which become due, may be charged to our Deposit Account No. 50-1147.

Respectfully submitted,
